

INLAND NORTHWEST DANCE ASSOCIATION presents
INDA PERFORMING ARTS FESTIVAL 2016

Saturday, April 23, 2016

**West Valley High School Auditorium
8301 East Buckeye Avenue Spokane Washington**

Dear Friends,

After 11 years of hogging the stage for dancers, INDA has transformed DanceFest into INDA Performing Arts Festival (**IPAF**). Open to vocal groups, theatre groups, bands, orchestras, as well as dance groups, IPAF will maintain the goal to heighten the visibility of all of the performing arts while building a sense of community. We are inviting artists, aficionados, and tourists from Washington, Montana, Oregon, Idaho, and Canada.

Please return the completed application postmarked by MARCH 26, 2016. We may not be able accommodate all applications. Late applications will be considered ONLY if space is still available or put on a waiting list in case of cancellations.

PERFORMANCE ENTRIES

Groups can be community, studio, school, or church groups from amateur to professional level. Time allotment is 15 minutes per group (\$25) performance time. Additional time at \$1/minute if available. Registration forms with more details are attached.

BOOTHS

Limited booth spaces are available in a centrally located area, near the activities.
